

President's Report – Alexandra and District Dog Obedience Club AGM 2025

Good morning everyone, and welcome to the Annual General Meeting of the **Alexandra and District Dog Obedience Club**. It's my pleasure to present the President's Report for the 2024–2025 year.

This year has been another rewarding one for our club. We've continued to promote responsible dog ownership, provide a welcoming environment for training and learning, and offer opportunities for members to enjoy time with their dogs while building skills and confidence.

Club Activities and Achievements

Our training sessions have been well attended throughout the year, with many new handlers joining us and progressing through the classes. It's been wonderful to see so many enthusiastic dogs and their owners out on the grounds each week, supporting one another and celebrating milestones — from mastering loose-lead walking to achieving obedience and rally awards.

Several of our members have also represented the club at dog sport trials across Victoria. Congratulations to everyone who competed, gained new titles, or simply participated and had fun. Your achievements bring pride to the club and inspire others to get involved.

We also enjoyed a number of community-focused activities this year, including fun days and the demonstration down at the Alex Show – well done to all for participating. These occasions strengthen our connection with the wider community and showcase the value of positive, reward-based training.

Membership and Training

Membership has remained strong, with a good balance of new and returning members. It's encouraging to see fresh faces joining our classes and long-term members continuing to train, mentor, and share their experience. Our instructors have done a wonderful job delivering consistent, positive, and engaging sessions each week, often in challenging weather conditions — thank you for your commitment and patience.

Committee and Volunteers

I'd like to extend my sincere thanks to our dedicated committee members for their hard work and teamwork throughout the year. Each of you contributes so much behind the scenes to keep the club operating smoothly — from

administration and finances to training coordination, grounds care, and event organisation.

A big thank you also goes to our instructors and volunteers who give their time so generously. Your efforts create the friendly and supportive atmosphere that our club is known for.

Looking Ahead

As we look ahead to the coming year, there are some exciting possibilities on the horizon. We are currently exploring a **potential change in our training location** in the new year. While this process is still underway, the committee is working carefully to ensure any move will benefit our members, provide suitable facilities, and support the club's future growth. We'll keep everyone updated as discussions progress.

We also plan to continue building on our strengths — offering high-quality training, encouraging participation in dog sports, and maintaining our welcoming, community-focused spirit.

Conclusion

In closing, I'd like to thank every member for your continued support, enthusiasm, and love of dogs. Whether you've volunteered, trained, competed, or simply come along each week with a wagging tail and a smile — you are what makes this club special.

Thank you all for another successful year, and I look forward to seeing what the next one brings.

Fiona Mackey
